‘Lovely day
for a
Guinness’

*I feel so fresh dear captain now
Though I've been in for hours.
It was the Guinness with my lunch
That gave me staying powers.*

IT is quite natural to feel 'tired and thirsty' at this time of the year, and it is just as natural to turn to a Guinness for renewed energy and refreshment.

Don't tickle your thirst — give yourself something worth drinking. Something that will do you good. Lots of people find summer very trying. Guinness is a great help to all who work hard or play hard.

Guinness does more than quench your thirst
