### CCC Ireland Tour, August 3rd-8th 2003.

The inaugural Club Cricket Conference tour to Ireland earlier this month produced two wins and two defeats. In the first match against an NCU President's X1, the Conference suffered an 8 wicket defeat. This was followed by being outplayed in a game which technically ended in a draw but was handsomely 'won' by Ireland who scored 296 for 8. The CCC had scored 129 for 7 in reply when the rain came down. Ireland 'A' were at the end of a similar drubbing the following day as the CCC rattled up 258 for 6 then bowled out the home side for 87. In the final match also against Ireland 'A', the match was much closer with the home side making 180 all out and the CCC winning with 4 wickets in hand and 7 balls to spare. For the CCC, Nick Oldridge topped the batting averages with 59.33 and Simon Crampton the bowling averages with 7 wickets at 15.86.
